

# GET WHERE YOU WANT TO GO

Many adult students balance work and school schedules at the same time. While achieving your academic goals might feel impossible at times, NCS is here to help you find the option that is right for you.

Here's how:

## REMEMBER, YOU ARE NOT ALONE

Don't be discouraged. Many students balance busy schedules and you can too. Our advisors are trained specifically to serve Adult Students and are here to help.

## DEFINE WHAT YOU NEED

What would a work/school schedule look like? How many hours a week would you be able to dedicate to course work? Do you need a required class to progress in your studies?

## MEET WITH AN ADVISOR

Our Advisors can help you define what you need to earn your degree, outline expectations and help with scheduling your flexible courses. Contact our Advising team with any questions at [ncs\\_admissions@seattleu.edu](mailto:ncs_admissions@seattleu.edu).

## SET YOURSELF FOR SUCCESS

Make sure to set realistic goals for your workload and other obligations and try to plan your next steps. Be sure to regularly check in with your NCS advisor.

# NCS IS HERE FOR YOU

The B.A. degree completion courses and professional certificates from NCS offer adult students the flexibility and support to help you reach your educational and career goals. We are here for you.
